

BE A PART OF FISHERGATE'S LIBRARY CLUB IN 2024 - 2025

Library Club opens our school's beautiful library to members once a week. Children get the chance to unwind with a book, dive into creative activities and have a little chat when the mood strikes.

Without a healthy team of parent helpers, this club would not have reached as many students as it did last school year. Schedule conflicts have lessened the number of helpers for this current school year, which is why we need your help. A refreshed team of parent helpers will make the club possible for our children once again.

WHAT'S INVOLVED?

You could help as little as one or two lunchtimes a term, or every week if your schedule allows! We need two volunteers for each session, and we'll create a rota around your availability.

The club runs once a week for each of the three year phases: Year 1/2, 3/4 and 5/6. Each phase has a 30 minute session.
