### Another Great Week at Fishergate: Hard Work and Support All Around

It's been another fantastic week at Fishergate, where our children continue to shine through their hard work and the incredible support they show for each other. The way in which the children support one another is a pleasure to see. It's not just about academic success—it's about the friendships they build and the positive environment they create together. The respect and encouragement that fills Fishergate make it such a wonderful place to learn and grow.

Thank you to our Francesca and Alison for organising the preloved uniform collection swap this week. What a great way to pick up gently used pieces and help reduce waste—plus, it's always wonderful to see our school family helping one another in this way.

Thank you for being a part of what makes Fishergate so special!

## **PHASE UPDATES**

**EYU** – This week in Early years we have loved reading a selection of Paddington books and been making marmalade sandwiches. In the forest, we were spotting new signs of winter and found out we all have dragon breath when our bodies are warmer than the air outside.

**Year 1/2** - Key Stage 1 have been continuing their Julia Donaldson Talk4Writing with work on 'Zog' and 'The Gruffalo's Child'. We are also in full swing with preparations for the Christmas show and thanks to Mrs Renny for conducting a fantastic writing workshop for parents this week.

**Year 3/4** – In Yr 3/4 this week, we have been planning and have started writing our non-chronological reports on Stonehenge. This will be quite teacher led but the next report will be all about teeth which they will write more independently using their science knowledge.

**Y5/6** - We have started our cam toys in DT and the children worked so supportively to help each other measure and saw their wood. And feel free to come up after school any night and read your child's terrific Viking myth!
